

## **News from Argus Dental & Vision, Inc.**

Argus Dental & Vision, Inc. (Argus) is proud to announce its continued commitment and collaboration with the Accreditation Association for Ambulatory Health Care, Inc. (AAAHC) to improve the quality of health care our members receive. On July 10-11, 2018, AAAHC will conduct a re-accreditation survey of Argus.

The survey will be used to evaluate the organization's compliance with the AAAHC standards for a health plan and to determine if accreditation should be retained by the health plan. Argus has voluntarily requested this survey as a means of assisting its own efforts to improve the quality of health care and member services.

Argus members believing they have pertinent and valid information about the organization's compliance with AAAHC standards, may request a presentation with AAAHC surveyors or may communicate such information in writing or by telephone to AAAHC for consideration.

Requests for in person presentations must be received at least two weeks before the scheduled survey date to allow for processing and scheduling. To obtain a copy of the AAAHC Health Plan Standards, request an in person presentation, or submit information, please contact:
