**Welcome**

**Welcome to the Argus Dental & Vision Member Portal!**

Thank you for selecting Argus Dental & Vision, Inc. for your dental benefits provider. Your membership with Argus allows you to access our network of dental providers throughout the State of Florida. Your benefits include coverage for preventive and diagnostic services, as well as predetermined savings on other dental services. Please remember that you must always seek dental services from a participating dental provider or specialist. Any services rendered by a non-participating dentist or specialist will not be covered. To find a provider in your area, visit our Provider Search Tool at: <https://argusdental.com/find-a-provider/>. Argus is committed to delivering quality service and member satisfaction. If you experience any difficulties or have any questions about your benefits, please call Argus Member Services Department at: (877) 864-0625.

Please keep your child's ID card with you at all times

It is simple to make a dentist appointment for your child! Simply call Argus Customer Care toll-free at 888.978.9513 to find out what preferred dentist in our network you are assigned to. You may also visit [argusdental.com/healthykids/](http://argusdental.com/healthykids/) to search for a preferred network dentist.

Once you have the dentist's information, call the office to schedule an appointment. Please make sure you have your child's member identification (ID) card on hand and let the office know that you are a Healthy Kids member with Argus Dental. On appointment day, remember to bring your Argus ID card.
