

May 4, 2020

The Governor of Florida issued [Executive Order 20-112](#), which outlines protocols that need to be met in order to restart elective procedures. This executive order supersedes the conflicting provisions of [Executive Order 20-72](#).

Please find a [list of FAQs](#) for Executive Order 20-112.

If you have a dental or vision emergency and you can't get through to your current provider or need help with finding one who can speak to you over the phone, please call the Argus Customer Care Center at 877-864-0625. We are open to receive your call from 8 AM to 8 PM EDT Monday through Friday.

Stay safe and healthy!
