

## THE ARGUS ADVANTAGES

We care about dental and vision wellness. That's why we make it easy for members to maintain their overall health and wellness by providing them with access to the affordable coverage they need and the quality service experiences they deserve.

At Argus Dental & Vision, we believe in the guiding principle of making dental & vision care more accessible, and improving the quality care delivered by providers. We provide members with quality, in-network benefits and low out-of-pocket costs from dental providers credentialed in accordance with guidelines set forth by the National Committee for Quality Assurance (NCQA) and the Centers for Medicare and Medicaid Services (CMS).

Network Medicare HEDIS

Currently, the Argus statewide Florida network contracted rates with our providers average 40% lower than Carrington discounts in Florida

Administratively, the largest population of dental and vision Medicare Advantage lives in Florida and duplicable nationwide

- Developed predictable process for success to achieve 5 Star metrics for HEDIS for Diabetic retinopathy exams
- Developed predictable success to achieve high marks for HEDIS for Nutritional Counseling for Medicaid children

- Deep knowledge of both dental and vision capabilities
- ♦ Turn key—full delegated or Al la carte services
- 98.5% provider retention
- Credentialed network in accordance with NCQA/AAAHC guidelines

## **Did You Know?**

- Argus has created network development techniques for contracting providers with deeper discounts than our competition.
- Argus is currently developing Medicare networks in NC., SC., VA., CO., IL., for three other HMO clients for a 1/1/19 effective date.
