

## A Premier Benefits Provider

Founded in 2007 by a dentist and licensed through the Florida Department of Insurance, Argus maintains licensures as a Pre-paid Health Plan, a Discount Medical Plan and a Third Party Administrator licensed in 48 states. Argus provides fully-delegated services for Medicare and Medicaid HMP partners, commercial accounts and government agencies.

## About Argus

Argus Dental & Vision, Inc. is a premiere dental and vision benefits organization dedicated to providing affordable rates, quality coverage, and superior customer service to individuals, families, groups, and government organizations.

We offer the first dental and vision plan in the United States to be accredited for quality care by the Accreditation Association for Ambulatory Health Care (AAAHC)
