

Orthodontic Services

*Orthodontic Benefits (Braces)

Orthodontic benefits (braces) are limited and are covered ONLY if the member's condition creates a severe disability and impairment to the child's physical development. Children who have need of orthodontic treatment (braces)* that is primarily for cosmetic purposes will NOT qualify for coverage.

Orthodontic services will NOT be covered if services are:

- Limited or interceptive treatment
- Cosmetic purposes
- Split phase treatment, except for cleft palate cases
